Sandra Espinet, luxury residential interior designer, and author of *The Well Traveled Home*, shares the 7 things she can't live without this August. Her sophisticated, yet uber casual approach to design, makes her unique brand of style one you should be following to stay "in-the-know" of what's hot. www.sandraespinet.com

1. Chanel Tote - My fave beach bag this summer? The Chanel Deauville Tote. Super casual, canvas and leather; perfect for pool, beach or boat trips. Not all stores carry it anymore, so you may have to settle for a consigned one. www.therealreal.com

2. Lindsey Edelman - I'm totally enamored with all Lindsey Edelman lighting, but her "Boom chandelier" makes my design heart skip a beat! www.lindseyedelman.com

3. Giuseppe Zanotti - I receive so many compliments on my sandals and everyone always asks where I get them. The secret is out: I can't live without Giuseppe Zanotti's sandals. www.giuseppezanottidesign.com

4. Aman Hotel Tokyo - Tokyo is always a good idea, but if you are traveling there make sure and stay at the most fabulous location in the city. You will not find a better room with unbeatable views of the city and Mt. Fuji. Urban luxury at it's finest. www.aman.com/resorts/aman-tokyo

5. Arkonik Defenders - take a drive on the wild side and go off-roading in the coolest vehicle to explore the planet. Arconics bespoke Defenders created in England. www.arkonik.com

6. Tata Harper Skin Care - summer is all about no makeup and beautiful, youthful skin. I'm loving Colombian skin specialist Tata Harper's amazing non-toxic, natural products. They smell delicious! www.tataharperskincare.com

7. Eres Bathing Suit - if you are looking for the best fit bathing suit in the best form fitting fabric, look no further than Eres. The French made stylish pieces are perfect for any resort holiday. I just add a sheer dress over mine and use it to dinner on warm tropical nights. www.eresparis.com
