FEBRUARY 2018

7 THINGS I CAN'T LIVE WITHOUT

Sandra Espinet, luxury residential interior designer, and author of Barefoot Luxury, shares the 7 things she can't live without this February. Her sophisticated, yet uber casual approach to design, makes her unique brand of style one you should be following to stay "in-the-know" of what's hot. www.sandraespinet.com

1. Yachts - Buying a big boat might be a Bad Idea, but chartering one is nothing but a Good Idea and one of my favorite ways to spend a holiday. All it takes is a call to the Miami team at Burgess and you will be on your way! www.burgessyachts.com

2. Panerai - I am not a fan of complicated watches so my favorite guy watch still remains the classic Panerai Luminor. Just the right accessory for that uber cool guy. www.panerai.com

3. Mr. Brainwash - a.k.a. Thierry Guetta has created one of my fav pieces of street art appropriately named : I love you! Simple red and white caution tape wrapped around plywood and spray painted with big bold black letters the words "I Love You!" Totally gets the point across in a fun way. www.mrbrainwash.com

4. Love Story by Chloé - a modern, soft, floral perfume that is perfect for date night. I like it so much, that I find myself spraying hit all over my bedroom. Goodness in a bottle. www.chloe.com

5. La Perla - just in time for Valentine's Day, sexy has been let out of the bedroom with La Perla's new ready to wear line. Pretty dresses and modern coats and perfectly paired to match their signature fabulous lingerie. www.laperla.borderfree.com/us/

6. Manta at the Thompson - Wisking your Valentine off to Cabo? Hit up one of my favorite restaurants: Manta at the Thompson. Great ocean view, fab wine and delish food by 3 Star Michelin chef Enrique Olivares. www.thompsonhotels.com/restaurants-bars

7. Roda - the green, eye-catching Arena day bed is the perfect outdoor piece to sit and have a glass of wine and catch the sunset. Big enough for two people + one Frenchie! It's made out of knit tubular ropes that make it completely weather-safe. www.rodaonline.com/en
