7 THINGS I CAN'T LIVE WITHOUT

1. Peninsula Hotel Shanghai – Heading east? If you find yourself in Shanghai do yourself a favor and check into this beautiful hotel. Open your electric curtains and enjoy the river view towards the famous Pearl tower. www.shanghai.peninsula.com

2. Kopari Beauty – My favorite way to get that JLo glistening, golden glow is with Body Glow by Kopari. Made with coconut oil, it's great for you and looks even better! www.koparibeauty.com

3. Roberto Cavalli – Fall is upon us but if you have plans for a quick beach escape, his Liz Taylor iconic kaftan beachwear is perfect. I'm into those classic palm leaves at the moment. So fresh. www.robertocavalli.com

4. Eva Fehren – Uniquely simple, my New York friend, Eva Fehren has created a gorgeous line of modern jewelry. For all of us minimalist, her jewelry feels modern yet remains feminine. A must-have. www.evafehren.com

5. The Barcelona Chair – Designed in 1929 by Ludwig Mies Van Der Rohe, this classic chair by Knoll International is one of my all-time favorite pieces of furniture. I have two in cream leather (the original color). They stand the test of time. www.knoll.com/product/barcelona-chair

6. Anna by RabLabs – I'm super in love with her stone, oversized coasters. Mine are crystalized white onyx and they look beautiful on my coffee table. So chic that you almost don't want to use them. www.annanewyork.com

7. Ume Studio – I recently discovered the concrete, hand-made pieces created by Ume Studio and it was love at first sight. No two pieces are identical since the cast is also handmade. Heavy with paper thin edges. Utilitarian art. www.ume-studio.com
