OCTOBER 2017

## 7 THINGS I CAN'T LIVE WITHOUT

**1. Dyson Supersonic hair dryer** - I just bought mine recently and love the quieter sound and faster dry. And in very Dyson style, it is cool looking. [www.dyson.com/haircare/supersonic.aspx](http://www.dyson.com/haircare/supersonic.aspx)

**2. Hedge Row Painted Umbrellas** - You've probably seen the beautiful hand-painted, lighted umbrellas on many of my outdoor projects. They add just the right amount of detail to a transitional pool area. [www.hedgerowstudio.com](http://www.hedgerowstudio.com)

**3. The Haas Brothers** - Haven't heard of the Haas Brothers? You should. They are highly creative artists who continually recreate and play with whimsical shapes. They are very collectable and their pieces are getting harder and harder to purchase. I die for their ceramic sculpted vases they call accretions. **4. Prada Pink Feather Heel** - Leave it to Prada to give us fab feathers in our shoes! Coming into fall, this is the must have heel sandal. [www.prada.com](http://www.prada.com)

**5. Christofle Silverware Container** - is showing their fun side with this Mood silverware container, an adorable way to conveniently display your silverware out of the drawer and on your counter or table. **6. Thierry Lasry sunglasses** - Because the cat eye is so in vogue, I couldn't resist a pair of with gold tips. So girly, and so this season. [www.thierrylasry.com](http://www.thierrylasry.com)

**7. Las Alcobas** - Planning to be in Mexico City anytime soon? Do yourself the favor of booking your room at the boutique hotel Las Alcobas. Great modern rooms, great service and best possible location on Presidente Mazarik Avenue. [www.lasalcobas.com](http://www.lasalcobas.com)
