WINTER 2020

## 7 THINGS I CAN'T LIVE WITHOUT

**1. Cocoon swing** – a collaborative creation by Campana Brothers for Louis Vuitton, this perforated, fiberglass, shell swing, is covered in LV calfskin leather on the exterior, and quilted leather on the interior. It can hang from a metal stand or ceiling and is available in 21 colors. A playful and unique collectible piece that does not take itself seriously, but kind of is.

**2. Balenciaga** – the hottest must-have, small shoulder bag this season is the "B" bag. This super cute, faux croc leather, wallet chain bag that has been seen on numerous celebs and is rapidly becoming a quiet classic.

**3. Sebastian Herkner** – when old world craftsmanship and modern design are merged you get the "bell tables". Made of colored handblown glass, stone and metal, these unique tables come in a range of colors and sizes. A wonderful way to add a new texture to modern interiors.

**5. Predator Thronos** – aspire to be a professional gamer or just want to have fun? The Acer Predator gaming chair is the ultimate in technology. Designed with a cocoon-like cockpit cabin that is motorized, it spins, lights up, vibrates to sound, and has built-in speakers and 3 screens for total immersion!
