SHOWROOM NEWS: WHAT'S NEW AT THE PDC

Make sure to stop by these newest additions to the PDC...

Committed to quality and service, **Bausman & Company, Suite B355** is one of the leading manufacturers of contemporary, transitional, and antique reproductions. Founded in 1971 by Bob Williams and Craig Johnson, the Ontario, California factory uses a complex, sustainable and detailed finishing process which has the ability to customize pieces according to customer requests.

Located on the 4th floor, **Casa Bonita, Suite B420** carries everything from terra cotta pottery to stone sculptures. Custom designs can be ordered in unique shapes and colors. Their collections feature the work of designers and skillful artisans in what has become a modern version of the Spanish and Mediterranean style.

Bausman & Company

Internationally recognized as a premier manufacturer of fine furniture, **Francesco Molon, Suite B540** is able to replicate age-old techniques sought after by high-end designers and clients worldwide. The new showroom features the work of over 100 artisans highly skilled in painting, marquetry and gold leaf application.

Offering a broad range of styles and finishes, **SFC Flooring, Suite G298** offers custom, handcrafted hardwood flooring to allow unbridled creativity in your choices.

Feed All Café, newly opened on the Melrose Plaza, features fresh soups, salads and sandwiches made with local, organic ingredients. Proteins are 100% natural and hormone-free. Coffee, juices, pastries and other quick bites are available as well.
