DAVID BROMSTAD

Who knew that learning about interior design on national television could be so fun? Only a designer as frank and fiercely creative as David Bromstad would dare make such a statement about his own blossoming career. Since being crowned the original HGTV *Design Star*, he has become one of the most celebrated interior design personalities on television and the star of his very own design show, *Color Splash*, on HGTV. David's infectious blend of energy, creativity, and dedication to each project distinguishes him as truly unique! Visit David online at www.bromstad.com.

SANDRA ESPINET
